

EURO AVIA[®] - AVIATION PROJECTS MANAGEMENT

Flight Crew Support

EURO AVIA[®] provides pilot & flight crew support solutions, allowing you to rely on us for your supplemental pilot and crewmember needs.

From individual on call requests to long-term flight crewmember agreements, our team of qualified, type-rated pilot professionals is available for commercial and corporate jet flights.

Whether it is for startup or ongoing support, we possess the flight crew management knowledge, specialized operations and safety consulting knowledge, in order to provide a safe, reliable and convenient alternative for your flight operations.

Qualified TRI/SFI, Captains & First Officers are available for immediate support on:

- Airbus A320 series
- B737NG & B737EFIS series
- Bae 146/AVRO RJ
- MD – 80/90

Our priority is the safety of passengers on board the aircraft we crew.
